# Bow Women's theatre

## New physical theatre group starting in Bow

Are you interested in learning how to act?  
Ever wanted to act in a play? Or design and create a play?  
Not working at the moment? Feeling bored or tired and want to do  
something different?

Bow Women's theatre will use a range of different physical theatre  
techniques to help participants learn how to move, improvise character,  
express emotion through movement, develop stories, plots, characters,  
and ultimately, a play.

No experience is necessary. Just a willingness to move, try something  
different and learn new things

Weekly two hour sessions Thursday 5-7pm from Sept. 2<sup>nd</sup> 2010 with  
performance Oct. 28th (plus two extra rehearsals in Oct) at St Paul's  
church, St.Stephens Road.
